Issue of Interest

This grant funded the January 2015 Sponsorship of 2015 VitiNord International cold Climate Conference, which promotes the advancement of viticulture and Enology in northern environments that are characterized by cool or short summers and/or cold winters. The development of cold climate viticulture adds to agricultural diversification.

Approach to Problem

The grant was used to provide financial support for the organization and hosting of this international conference which has never been held in the US and which will be held in Nebraska City, NE November 11-14, 2015. The funds were used for development of the program and conference overall for a total of \$5,000.

Goals/Achievement of Goals

This grant was used by the NWGGA to pay

Results. Conclusions. Lessons Learned

Progress Achieved According to Outcome Measures

Financial Report

The total grant amount was \$5,000. The actual spent was \$5,000 which provided for speaker fees and conference space fees for the conference.
